Sing sugar sugar 'cos they taste so sweet  
Everybody's dancing to a **Jelly Baby** beat  
All kinds of flavours and they taste just fine  
*If you haven't got a **Jelly Baby**  
You can have some of mine!*

Sing sugar sugar - come on sing along  
Everybody's dancing to a "**Jelly Baby Song**"  
All kinds of colours and they look just fine

*If you haven't got a **Jelly Baby**  
You can have some of mine!*

Some people like the **red** ones (and **blue**)  
Some people like the **green** (**yellow** too)  
Some people like the **black** ones (mm-mm)  
I like them all don't you see

Sing sugar sugar (*Everybody*)  
Sing it one more time (*One more time*)  
Everybody's dancing (*Sing along*)  
To the "**Jelly Baby**" rhyme ("**Jelly Baby**" rhyme)  
All kinds of flavours (*Lemonade?*)  
And they taste just fine (*Mm-mm*)

*If you haven't got a **Jelly Baby**  
You can have some of mine!*
